BSH DIRECT - Additional Deposit Payment Options

EFT and Cheque Checkout Process

Marketing Systems and Services

July 2016

Additional payment options for deposit payment at the time of order entry now available.

The orders can be created with options:

Deposit Payment Option	Deposit Payment	Order, Pricing & Delivery
Credit Card	Customer makes the deposit payment immediately via BSH DIRECT.	<p>The order and pricing are guaranteed by the time the order is created and saved.</p> <p>Goods will be delivered once the order is paid in full.</p>
EFT (NEW)	<p>Customer doesn't need to pay the deposit immediately in store.</p> <p>The deposit payment is required to be done via EFT to BSH <u>within five working days.</u></p>	<p>If the deposit payment is not made within 5 working days, the order and pricing are NOT guaranteed and BSH reserves the right to cancel the order.</p> <p>Goods will be delivered once the order is paid in full and the payment (EFT) is cleared.</p>
Cheque (NEW)	<p>Customer doesn't need to pay the deposit immediately in store.</p> <p>The customer needs to ensure that BSH receives the cheque with the order reference number <u>within five working days.</u></p>	<p>If the cheque is not received by BSH within 5 working days, the order and pricing are NOT guaranteed and BSH reserves the right to cancel the order.</p> <p>Goods will be delivered once the order is paid in full and the cheque is cleared.</p> <p>For short term deliveries we recommend to use other payment options than cheque, due to the additional process time required for the clearance of the cheque.</p>

Saving the order with EFT and Cheque Payment Options at Checkout
